Hello All,

I wanted to let you know that I've decided it's time for me to retire from CHFA to pursue the next chapter of my life. Leaving a job and organization I love is not easy but it's the right time for me. I don't have any special plans yet. I'm going to take some time to slow down, enjoy the outdoors and eventually do some traveling, hiking, cooking, reading and hanging with family and friends.

I'll be leaving my position at the end of August and I remain committed to working with the Tax Credit team during the next few months, including preparing for the Round Two applications that are due on August 1. I am honored to have led such an amazing, talented, and gifted group of people who will continue to manage Colorado's LIHTC allocation process with excellence and integrity.

It has also been an honor to work with all of you who are a part of Colorado's affordable housing community! In my humble opinion, we have the best community in the nation!

I'm not saying goodbye yet though. I'm still here for the summer!

Best,
Tasha
